Dear Parents,

Responsible Internet Use

All pupils at Clinton Primary School use computer facilities, including Internet access, as an essential part of learning, as required by the National Curriculum.

Please would you read the attached e-Safety Rules and sign and return the consent form below so that your child may use the internet at school.

Should you wish to discuss any aspect of internet use, or would like to see our internet usage policy, please telephone me to arrange an appointment.

Yours sincerely,

Sam Pater

Parent's Consent for Internet Access

I have read and understood the school e-safety rules for responsible Internet use and give permission for my son / daughter to access the Internet. I understand that the school will take all reasonable precautions to ensure that pupils cannot access inappropriate materials but I appreciate that this is a difficult task.

I understand that the school cannot be held responsible for the content of materials accessed through the Internet. I agree that the school is not liable for any damages arising from use of the Internet facilities.
