

THRIVERS IN THEIR COMMUNITIES

1. Strengthen children's role in contributing to their school communities - supporting them to develop skills.
2. Broaden the scope for children to contribute to the wider community, reaching beyond school.

CAPABLE YOUNG PEOPLE

1. Strengthen teaching of our 'skills based' curriculum.
2. Develop assessment systems that provide excellent information from which to plan personalised next steps in learning.
3. Develop more and more relevance and purpose into learning, increasing children's 'presentation' skills.
4. Evolve teaching practise to improve rates of progress, particularly for vulnerable children.

CARING, COMPASSIONATE, CULTURALLY AWARE CITIZENS

1. Develop stronger links with schools in France, Bosnia and other parts of the world to enable cross cultural opportunities.
2. Play a part in the 3 year 'peace-makers' inter cultural work with Coventry Cathedral, Bosnia and Serbia.
3. Develop 'Global Citizenship' work within the curriculum.

THOUGHTFUL, RESILIENT, HAPPY COLLABORATORS

1. Ensure a high priority for 'personal development' skills improvement across the curriculum.
2. Develop resources for 'team building' activities.
3. Develop links with businesses such as Jaguar to provide context and experiences for practising collaboration.

CREATIVE THINKERS

1. Provide more opportunities for children to be inspired by artists and the arts.
2. Make use of local musicians and artists as part of the creative process - broadening children's techniques.
3. Ensure 'creativity is well taught across the curriculum'.
4. Use 'Science, Technology, Engineering and Maths' opportunities to develop creative problem solving.

EXPANDING PROVISION

1. Consider the possibility for a larger classroom for after school care - increasing numbers.
2. Consider development of a nursery on site.

ENSURING EXPERTISE

1. Develop the quality of leadership (including governance) and teaching through carefully sought professional development opportunities.
2. Plan strategically for ideal staffing structure.
3. Develop recruitment procedures to ensure best staff possible for each role.

ENHANCING COMMUNICATION AND EFFICIENCY

1. Explore opportunities to use social media to share and receive information (including feedback).
2. Introduce electronic payment for dinners and trips.

RAISING FUNDS

1. Seek opportunities to gain partnership funding from local businesses.
2. Develop teams to apply for grant applications in line with strategic plans.
3. Market school expertise.
4. Develop joint cluster business partnerships.
