CHIME

Encouraging the pupils of Clinton Primary School to work in harmony

Registered Charity No. 1081480

Mission statement

CHIME aims to maintain excellence in and the continued development of musical education at Clinton.

The history of CHIME

Clinton has a long history of excellent and enhanced musical education. CHIME was set up to support music in school when previous Government cuts threatened this provision. CHIME has ensured that music is still available to all at Clinton.

CHIME aims to:

- Ensure that all the children in school can participate fully in music by providing free recorder lessons from Year 3.
- Provide equal access to music lessons to all the children in school.
- Guarantee the continued presence and excellence of the School Orchestra by providing staff support and equipment.
- Provide all the children at school with the opportunity to regularly listen to and appreciate live music.
- Encourage the children in school to co-operate with each other and work as part of a creative musical team.
- To foster opportunities for the children to gain the confidence to perform in public.

The Value of Music Enriching Life

"...music is one of the best things that ever happened to mankind. If you get introduced to it in the right way, it becomes your friend for life."

Yo-Yo Ma, cellist
