## Summer Newsletter No. 6

### 12<sup>th</sup> May 2016

admin2308@welearn365.com [www.clintonprimary.co.uk](http://www.clintonprimary.co.uk)

Dear Parents,

#### FRIDAY ASSEMBLIES – PLEASE JOIN US!

Please join us any Friday at 9.00. Dates to note include:  
**Thursday 26<sup>th</sup> May** Record of Achievement and Good Neighbour awards assembly

**Friday 27<sup>th</sup> May** Reception class assembly

#### Y6 SATS

Year 6 have worked really hard towards their SATs tests and have remained very calm and positive! Thankfully they're all over (though the focus will now turn to writing and working towards the 'standard' required for that)! Thank you parents for supporting them (and us) with the process. I know it's been challenging (I'm sure you'll have seen on the news how all over the place assessment is nationally!). The children definitely deserve a break this weekend.

#### SUN SAFETY

After half term, we are going to make it a rule that, on sunny days, children must wear hats to go outside. Please could you make sure they have them in school. We are going to buy some spares as the risk of passing on head-lice is minimal (though can't be guaranteed) so long as they don't swap hats on the day they borrow them. The lice die not long after leaving a head! If you are unhappy with children borrowing a hat, please let us know and we will keep them inside instead if they haven't got their hat.

#### SAINSBURY'S VOUCHERS: THE FINAL COUNTDOWN!

Please bring in any you still have – thank you!

#### THE PLAYGROUND AFTER SCHOOL

Parents sometimes like to catch up and chat at home-time and we like to enable this to happen for a short while after school. If you choose to do so, though, please ensure the children follow these rules:

- Children should stay within your supervision (sight). We don't want them to have an accident and we don't want mixed messages – they need to follow the same rules as during the school day.
- Children **aren't allowed** on the KS2 playground or apparatus after school.
- If they haven't been allowed on the field during the day, the same applies after school.
- They shouldn't use school playground toys after school or bring their own.
- Younger children who are collecting bikes or scooters from the bike shed need to be carefully supervised – we've had occasions when vehicles have been moving on the drive and children have run across without looking.

Please help us to keep your children safe and help us keep the 'playground use' messages consistent.

#### WALKING TO SWIMMING AFTER HALF TERM

We really, really need parents to accompany Y4 and Y6 to their swimming lessons after half term. Thank you!

#### NEW GOVERNOR APPOINTMENTS

Please see the attached letter about vacancies on our Governing body – new Governors are needed!

#### PARKING

Also on the safety theme, please remember that when you park, you could be blocking other people's view of the road or causing people to have to pull out round your car so that they're effectively driving on the wrong side of the road. Both situations can make crossing the road a riskier business. So please park away from corners and don't park on the zigzags or on the other side of the road from them. Thank you.
