

Year 5 - What's new?

In Year 5, the children will be given the opportunity and encouraged to try new things!

During the first half term, the class will be visiting Red Ridge outdoor adventure centre. They will have a fantastic experience during the three day residential!

There will be more chances to represent the school at sport, including: football, netball and cross country.

Year 5 will be invited to write for the Clinton Times - they will need to decide what their article will be about and start to plan their ideas.

Children will be trained in peer mediation and given the opportunity to mediate in disagreements that occur in the playground.

There will also be the opportunity for more Year 5 children to join the school orchestra.

This term they will be trying to answer the question: What made Ancient Greece such a powerful civilisation? Parents will be invited into school towards the end of the term so the children can share their learning and expertise with you.
