Dear Parents,

ORCHESTRA

Reminder: The children who are in orchestra will need their instruments tomorrow morning! Next week, any Year 6 parents who want to hear how they're getting on are invited in!

RED RIDGE and FRANCE (September 2022)

Please ensure that all payments are made. Final instalments were due last week. Please ensure payment is made via ParentPay. Thank you!

ATHLETICS

Years 4 and 5 took part in a 'Countdown to the Commonwealth Games' running event yesterday afternoon. They were extremely energetic all afternoon and learnt a little more about the games. There were 30 from each class, the opening ceremony was 30 days away and they were 30 miles from Alexander Stadium, where the games will take place. And, their teachers had the appearance of 30 year olds!

CLASS TRIPS

We resembled a coach park on Wednesday and by mid-afternoon, only Year 6, Year 1 and Year 2 were left! Year 3 had a fantastic time at Cadbury World by all accounts, learning about the origins of chocolate – as part of their topic about how inventions changed lives!

Reception enjoyed a trip to Ryton Pools yesterday afternoon, finding all sorts of mini-beasts!

Massive thank you to parents who accompanied them. We can't do it without you! And big thanks to staff who organised those visits!

YEAR 6 IN YORK

Year 6 returned having had a very busy two days in York. They had a great experience, visiting various museums linked with previous topics, but also developing independence. Thank you to Mr Viner, Mrs Hancock, Mrs Sullivan and Mrs Boneham, who were keen to sacrifice their time and sleep, to give the children an end of Clinton time to remember.

SPORTS DAY

We will be running Sports Day as we did pre-covid! For parents who'd like to come, you're very welcome to attend either or both of the sessions! At 9.30am there will be sprint races for each class. These normally take about an hour. The afternoon session will begin at 1.15pm where children will be in 'family groups' completing a carousel of sporting activities, earning points for their teams. We like the children to try their best and to try to win, but also to realise that they really enjoy the afternoon win or lose. It's usually a really lovely afternoon where older children support the younger ones. You will shortly, if you don't already, know what colour T-shirt children should wear! Blue, Green, Red or Yellow!

YEAR 5 CHOIR PERFORM AT WARWICK ARTS CENTRE!

Around 20 of our Year 5 children had the fantastic experience of performing on stage at the Warwick Arts Centre last Thursday. They had a wonderful time and represented our school excellently. Mrs Bridges has done an amazing job with singing this year – with many performing at the Royal Albert Hall earlier in the year as well as us winning £1000 for instruments in the 'Top of the Drops' song writing competition.

CHOIR PERFORMANCE

The choir is keen to perform to parents the songs they sang at the Royal Albert Hall. They will do that in the hall following the Sports Day Sprints, at approximately 10.45am on Friday 15th July (just after the country dancing – so that parents of year 3 and year 5 parents can see!

PLAY TICKETS

Ticket requests have been flooding in for the KS2 play at Kenilworth Castle in 2 weeks. Please do dig out the email about it from Monday because the deadline for ordering is Monday 4th July!

COUNTRY DANCING

Year 3 would love to show their parents their country dancing. They will be doing this shortly after we have run the sports day races – so at approximately 10.30am on Friday 15th July.

E-SAFETY

Year 6 have had an e-safety session today, focussing on our 'digital footprint', why there are age ratings on apps and websites and what to do if they find things online that make them feel uncomfortable. It would be good for parents to talk to children about those things. There are links on the Clinton website which are helpful too.
